1.0 Introduction

1.1 Harrogate Housing Association (HHA) is committed to delivering the best possible service for our customers and welcomes feedback from anyone who uses our services. HHA views comments, compliments and complaints as a valuable source of information about what we are doing well and what we need to improve upon. This policy sets out how we will manage our complaints and other customer feedback, including how we learn from our mistakes so that we continually improve our services.

2.0 Aims and Objectives

2.1 In developing this policy HHA aims to listen to individuals, treat them fairly, learn from what has happened and take any necessary action to put things right and prevent re-occurrence. HHA will deal with complaints impartially, objectively and professionally. Staff will take ownership, apologise where we have made a mistake and aim to resolve the complaint to the customers satisfaction.

The objectives of the policy are: -

- To encourage feedback both positive and negative about our service.
- To provide a number of different ways to give feedback to us.
- To resolve issues at the first point of contact wherever possible and if not possible we will give reasonable timescales for when we expect to be able to do so.
- Use comments, complaints and compliments to help us to improve our service.

3.0 Definitions

3.1 As part of this policy HHA will use the following definitions:-

3.2 What is not a complaint?

All complaints will be accepted unless there is a valid reason not to do so. Before a complaint is excluded, we will consider any exceptional circumstances the customer brings to our attention. HHA will **not** register a complaint under the following situations:-

- An initial request for information or an explanation.
- An appeal against action resulting in court proceedings or matters subject to ongoing court proceedings.
- Any matter in which there is an established internal or external appeals procedure allowing the complaint to be properly investigated and resolved by another route. Examples of this are service charge disputes with a homeowner and neighbour disputes (unless the complaint refers to our failure to deal with the disagreement appropriately).
- Appeals against policy decisions.
- Matters that are subject to an Insurance claim. HHA will not consider the matter under the complaints procedure until this route has been exhausted and will use its discretion in whether to log the matter as a complaint.
- Complaints which are submitted anonymously (although we may still investigate).
- Dissatisfaction expressed through satisfaction surveys (these will however be followed up and used to improve services as part of our wider response to responding to customer feedback).
- Any matter where the complaint constitutes a refusal to accept a rule of law with which HHA is complying.
- Where the event or issue took place more than 12 months before we received the complaint.
- Where it is referring to a service not provided by HHA
- The complaint has previously been through the complaints process.
- The complaint has already been made, and is under investigation, including if a representative has raised the issue.
- If the customer's behaviour is unacceptable, in which case we will follow the approach set out at Section 4.5

4.0 Making a Complaint

4.1 Anyone who receives a service from HHA can make a complaint to us; these include customers, shared owners/leaseholders, applicants for rehousing in our properties and those customers and applicants from schemes that we manage on behalf of others.

We will continue to seek complaint resolution with customers pursuing Pre Action Protocol for Housing Condition Claims in line with the Housing Ombudsman Service guidance. A complaint can be made in the following ways:-

- Email – info@hhal.org.uk
- Letter
- Phone
- In person
- Via the contact form on our website: www.hhal.org.uk

Via a friend or relative, agencies such as Citizens Advice Bureau, support workers, MPs and local councillors (HHA will need to be satisfied that anyone representing a customer has permission to act on their behalf and we will ask to have this confirmed by the customer)

Confidentiality and Privacy We will only share information in accordance with the Data Protection Act 2018 and the General Data Protection Regulation (GDPR). We will keep a full record of the complaint, any review and the outcomes of each stage, including all documents, relevant correspondence with the complainant or their representative and other parties, surveys and reports.

4.2 Equality, Diversity and Inclusion

HHA believes that Equality, Diversity and Inclusion is a core value of the Association. We will ensure that our customers, staff and partners are treated with fairness and respect and apply these principles fairly and consistently.

We will not directly or indirectly discriminate against any person or group of people because of their age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation or any other grounds.

HHA will have regard to reasonable adjustments (as defined by the Equality Act 2010) required by customers accessing our complaints service.

The Housing Ombudsman Service

Throughout the complaints process our customers are advised that they can approach the Housing Ombudsman at any point in the process for support and guidance. Similarly, HHA may also approach the Ombudsman at any point for guidance on a complaint that will assist in resolving the complaint.

4.3 Time Scales

HHA will be unable to investigate complaints relating to issues that are over 12 months old unless there are exceptional or extenuating circumstances. HHA will use its discretion in its decision to investigate these matters.

4.4 Complaints about Staff

If a complaint is made about the conduct of a member of staff, their line manager will investigate, separately from the complaints policy. Acknowledgement of the complaint will be made however the details of individual performance management will not be discussed or responded back to the complainant and will follow the Association's relevant policy and procedures

4.5 Unacceptable Behaviour

HHA staff will always treat customers with respect and expect that our staff will be treated with respect too.

Some situations are upsetting or distressing which may lead to a complaint. HHA will not necessarily view this as unacceptable behaviour.

A customer may contact HHA in connection with a complaint and whose actions or behaviour we consider unacceptable. A customer who is angry, abusive or persistent and whose actions place unreasonable demands on our staff's time or have unreasonable requests for information or on our resources, then HHA will take action to deal with such behaviour. Examples of what HHA consider to be unacceptable behaviour include: -

- **Aggressive or abusive behaviour** – behaviour which includes threats, physical violence, personal abuse, derogatory or discriminatory remarks.
- **Unreasonable demands** – these covers customers who may make what we consider to be unreasonable demands through the amount of information they want from us, the nature and scale of service they expect or the number of times they contact us. Examples of this include asking for responses in an unreasonable timescale, continual phone calls, emails or letters or repeatedly changing the substance of the complaint or raising unrelated concerns.
- **Unreasonable Persistence** – Examples of this type of behaviour include a persistent refusal to accept a decision or persistent refusal to accept explanations about what we can or cannot do. A continual re raising of the same complaint once the complaints process has been exhausted.

4.6 Managing Unacceptable Behaviour

This will depend on the nature and extent of the unacceptable behaviour but HHA retain the right, where we consider customers' behaviour to be unacceptable, to take appropriate measures that will allow us to manage the complaint and to deal with them through the complaints process, wherever possible. Examples of measures that may be put in place are: -

- **Restricting contact with complainant** – this may be through limiting the number of communications HHA will have with the customer, limiting the type of contact such as letter only. It could also involve restricting access to the office.
- **Single Point of Contact** – we may consider nominating a person who will be responsible for all communication with the complainant.
- **Complaints service standards** – it is important in order to manage unacceptable behaviour that staff deliver responses in line with our service standards and procedure.
- **Alternative dispute resolution** – HHA may consider using mediation to resolve a complaint. Any costs will be covered by HHA. The customer is not obliged to agree to this and HHA would make a decision on a case by case basis.

Decisions to restrict or change how HHA manage customers who demonstrate unacceptable behaviour will be done after careful consideration by the Operations Manager.

Actions will be regularly reviewed by the Operations Manager (Complaints Officer) and the customer will be kept informed about what action we are taking and why we are taking this action.

4.7 Reasonable Adjustments

Customers may need us to make reasonable adjustments to be able to access our complaints process. Reasonable adjustments are changes to work practices, on either a temporary or permanent basis, which aim to avoid disadvantaging someone who has a disability or other protected characteristic and to provide extra support where necessary. This term disability also relates to mental health conditions as set out in the Equality Act 2010. These adjustments could include:

- Allowing more time at each stage of the complaints process for customers to respond.
- Allowing customers to communicate in writing or verbally
- Responses and Information may be provided in a different format
- Translation for discussion or documents.

5.0 Complaints Process

5.1 The purpose of the complaints process is to support a “right first time” approach. HHA will provide each customer making a complaint with a full, fair and honest response to the issues they have raised. If HHA have got things wrong, then we will apologise to the customer. If a complaint concerns a contractor instructed by HHA, then we will take this as a complaint against their own service, the customer should not have to deal directly with the contractor.

HHA staff will take ownership of a complaint and are empowered to make reasonable decisions to resolve the matter for the customer. HHA will ensure that we maintain regular contact with our customer whilst dealing with their complaint.

5.2 The Complaint Process

A complaint about our service will be dealt with by Neighbourhood Officers. Our aim is to resolve problems and put them right with the minimum of delay, and always take into consideration the vulnerability of the complainant throughout the process. To manage our complaints we have the following process and stages:-

5.2.1 Informal Complaints

Some complaints can be resolved quickly and require only a verbal response. These informal complaints will be recorded internally for monitoring, review and learning purposes.

5.2.2 Formal Complaints – Resolution Stage

If a complaint cannot be resolved through the informal process or has been escalated to the formal process a set of service standards for formal complaints has been developed to ensure that our customers’ complaints are acknowledged and responded to within set timescales.

A complaint will be acknowledged in 2 working days. The acknowledgement will contain a log number and who will be investigating the complaint, the definition of the complaint and the Ombudsman’s contact details.

Our aim is to resolve the complaint within 10 working days from receipt.

In exceptional circumstances we may not be able to achieve these timescales and may have to extend the complaint response by a further 10 working days (ie 20 days from complaint receipt).

In these situations we will write to the customer with an assessment of the situation so far and advise them of the reason why we are unable to achieve the response times and provide the details of the Housing Ombudsman. For delays in excess of 20 working days this will be agreed with the customer, again details of the Ombudsman will be provided. This stage is known as the Resolution stage of the process. Where residents raise additional complaints during the investigation these will be incorporated into the Resolution stage if they are relevant, and the Resolution response has not been issued. If it has been issued or would delay the response, we will log the additional issues as a new complaint.

5.2.3 Formal Complaints – Review Stage

If a customer is dissatisfied with the outcome of their complaint they can ask for a review, giving the reasons why they are dissatisfied. This is the Review stage of the complaint process.

If the customer presents **new relevant information** at this point this may result in an investigation into the new circumstances as part of the Resolution stage. Any unrelated information will be dealt with as a new complaint.

A review of a complaint will be carried out by the Operations Manager unless they have been involved in the resolution stage. In these cases another officer not connected to the resolution stage will review the complaint. Complaints received about a tenancy related matter may be dealt with independently through the Customer Liaison Committee and customers are invited to attend to put their complaint to the panel. The Operations Manager will agree the details of the Resolution Stage and may ask for additional actions to help resolve the complaint for the customer. If the customer is happy to accept the proposed additional actions, then the complaint can be resolved. If not, the complaint moves to the Review stage of the complaint, this will be done through a meeting with a member of the Customer Liaison Committee. The customer can attend the Review meeting accompanied by one other person if they wish to do so for support.

When the review has been carried out a response in writing will be sent out in line with our service standards. If this is not possible then the reason why and new expected date for completing the review will be given.

On rare occasions HHA may refuse a request for a review of a complaint. These will be for reasons such as:-

- All actions agreed with customer have been completed or where we are completing follow on works or actions and we have communicated this to the customer.
- The customer has failed to provide specific reasons for the review.
- The solution requested by the customer relates to something outside of our ability to change or influence.

- The customer has refused to engage with our staff in resolving the complaint through reasonable actions (see 4.3 Unacceptable Behaviour)

If we decide to take this action we will clearly explain our reasons why.

The review stage is the completion of our internal complaints process.

A complaint will be closed:

- When the customer tells us that we have resolved the complaint **OR**
- If no response is received from the customer after 14 working days of the completion of our investigation and its outcome being communicated to the customer **OR**
- Following a review.

5.5 Complaints referred to the Housing Ombudsman. The Housing Ombudsman is not a regulator but encourages positive relationships between Landlord and Customer.

A customer can approach the Ombudsman directly. The contact details of the Housing Ombudsman are as follows:

5.6 Complaints from Homeowners – properties managed by HHA. Homeowners can use the HHA complaints procedure and approach the Housing Ombudsman if they are not satisfied with the outcome of the complaints process. Depending on the complaint the Housing Ombudsman will refer homeowners to the First - Tier Tribunal (Property Chamber) the complaints referred will be when deciding liability for payment of service charges and when settling disputes about the Landlord's choice of insurer.

6.0 Service Standards and Goodwill Gestures

These will be a reasonable offer taking into account the circumstances of each case. Goodwill gestures are not necessarily a monetary gesture and HHA will make an appropriate offer on a case to case basis.

6.2.2 Payment of any monetary gestures or compensation via our Repairs and Maintenance Policy will be off set against any other debt including rent arrears and recharges.
